1. The petition has been filed by M.P. Power Transmission Package – I Limited for grant of Transmission License under the provision of Sections 14, 15 and 86 (1) (d) of the Electricity Act, 2003 read with MPERC (Procedure of Application for License) Regulations, 2004.
2. In the subject petition, Petitioner and Respondents have already made their respective submissions and case was reserved for order on 09.05.2023.
3. During scrutiny of the submissions made by Petitioner and Respondents, Commission noted that at Sr. No. 14(ii) under clause 1.2 of Section-1 in the RfP document dated 31.12.2021 and under item 14(ii) of Schedule :1 of TSA signed between MPPTPL-1 and MP Power Management Company

Limited on 21.01.2023, work of “Kasrawad-Pipalgaon 132 kV DCDS line” has been mentioned. However, in notification no. F-3/02/2020/13 dated 13.04.2020 of Energy Department, Government of MP for appointment of Bid Process Coordinator (BPC) as well as in order no. F-3/02/2020/13 dated 13.01.2023 of Energy Department, Government of MP for according permission under section 68 of the Electricity Act, 2003, the same work has been mentioned as “Kasrawad-Pipalgaon 132 kV DCSS line”.

4. Due to above mentioned inconsistency between the bid document/ TSA and notification/ order of Energy Department, Commission has decided to keep this matter in abeyance. Respondent no. 1 is directed to get clarification in the matter from the State Government and submit the same to the Commission.
