

Sub: MPERC (Forecasting, Scheduling, Deviation Settlement and Related Matters of Solar and Wind Generation Sources) Regulations, 2015

ORDER

(Date of order: 24th May,2017)

In its 49th meeting held during 26th -28th July, 2015 at Ahmedabad, the Forum Of Regulators (FOR) evolved a framework for forecasting, scheduling, deviation settlement mechanism for wind and solar at inter-State level along with a model Regulations on the above issues at the State level for consideration /suitable adoption by the SERCs.

2. A public notice was issued on 07.12.2015 to obtain comments/objections/suggestions on the draft MPERC (Forecasting, Scheduling, Deviation Settlement and Related Matters of Solar and Wind Generation Sources) Regulations, 2015 by 31.12.2015. The public hearing in the matter was also held on 19.01.2016.

3. Meanwhile, a Technical Committee was constituted by FOR on 18.11.2015 to evolve a roadmap for implementation and ensure timely action on the deployment and implementation of framework on forecasting, scheduling and deviation settlement of wind & solar generating stations at the State level. The FOR in its 55th meeting held on 22.07.2016 approved the Technical Committee report on Scheduling, Accounting, Metering And Settlement of Transactions (SAMAST) in Electricity. A copy of the Model Regulations on Deviation Settlement Mechanism for States namely, "MPERC (Deviation, Settlement Mechanism and related matters) Regulations, 2017" was also sent to the Commission.

4. Since the new model Regulations, 2017 for the States is received from the FOR, the Commission decides to drop the proceedings of the aforesaid Regulations, 2015 and to initiate fresh proceedings on the new Regulations, 2017 for obtaining comments from various stakeholders.

Ordered accordingly.
