#### 1. ORDER

#### (Passed on this 21<sup>st</sup> Day of April, 2022)

- 1.1 This order is in response to the Petition no. 02 of 2022, filed by Madhya Pradesh Industrial Development Corporation (MPIDC), erstwhile Madhya Pradesh Audyogik Kendra Vikas Nigam (Indore) Ltd., (hereinafter referred as the Petitioner or the Distribution Licensee), a Company incorporated under the Companies Act, 1956 (Now Companies Act, 2013) having its registered office at 1<sup>st</sup> Floor, Atulya IT Park, Near Crystal IT Park, Khandwa Road, Indore, before Madhya Pradesh Electricity Regulatory Commission (hereinafter referred to as MPERC or the Commission). The Petitioner is a deemed distribution licensee under the fifth Provision to Section 14 of the Electricity Act, 2003. The area of supply of the Petitioner is SEZ Indore (Pithampur) within the State of Madhya Pradesh (MP). This petition has been filed under Section 61 and Section 62 (1) (d) of the Electricity Act, 2003 for True up of ARR of FY 2020-21, under tariff principles laid down in the Madhya Pradesh Electricity Regulatory Commission (Terms and Conditions for Determination of Tariff for Supply and Wheeling of Electricity and Methods and Principles for Fixation of Charges) Regulations, 2015 and its amendments thereof, as amended from time to time (hereinafter referred to as MYT Regulations).
- 1.2 The Commission issued retail supply tariff order for FY 2020-21 vide Tariff Order dated 12<sup>th</sup> March, 2021. In accordance with the MYT Regulations, MPIDC was required to file the petition for True-up of ARR of FY 2020-21 latest by 30<sup>th</sup> November, 2021. The Petitioner, vide letter dated 30<sup>th</sup> November, 2021 requested the Commission for grant of time extension upto 15<sup>th</sup> January, 2022 on the grounds that Audited Accounts for FY 2020-21 for their power business were in the process of being finalised. The Commission vide letter dated 2<sup>nd</sup> December, 2021 had considered the request and granted the time extension upto 15<sup>th</sup> December, 2021. Further, the Petitioner vide letter dated 17<sup>th</sup> December, 2021 again sought time extension upto 28<sup>th</sup> February, 2022 for filing the Petition. The Commission disallowed the Petitioner request and directed Petitioner to submit the Petition with IA for condonation of delay by 14<sup>th</sup> January, 2022 on the basis of provisional accounts with IA for condonation of delay.

- 1.3 Thereafter, the Commission held the motion hearing on 25<sup>th</sup> January, 2022 and condoned the delay and admitted the Petition for further deliberations and directed the Petitioner publish the public notice in newspapers for obtaining the comments / objections / suggestions from the stakeholders. The public notice issued on 23<sup>rd</sup> February, 2022 was published in the newspapers Nai Dunia and Free Press Journal, Indore. Last date for inviting comments / suggestions / objections was 17<sup>th</sup> March, 2022.
- 1.4 On prudent checking the Petition was found deficient and had not been substantiated with supporting documents, including tariff formats and relevant model in excel sheets. Accordingly, the Commission communicated additional information and additional data requirements vide letter dated 3<sup>rd</sup> February, 2022.
- 1.5 The Petitioner submitted the consolidated response on additional information and data gaps vide letter dated 25<sup>th</sup> February, 2022.
- 1.6 Summary of the Aggregate Revenue Requirement and revenue gap / surplus submitted by the Petitioner for true up of FY 2020-21 is shown below:

Sr. No.	Particulars	FY 2020-21
1	Power Purchase Cost	157.77
2	Intra State Transmission charges	13.88
3	SLDC and Other Charges	0.03
4	Employee expenses	3.02
5	R&M expenses	3.54
6	A&G expenses	2.20
7	MPERC and MPPMCL Fees & others	0.03
8	Depreciation	0.80
9	Interest and Finance Charges	1.57
10	Interest on Working Capital	0.15
11	Return on Equity (RoE)	0.80
12	Lease Rent	2.19
13	Income Tax	0.00
14	Gross ARR	185.99
15	Less: Other Income	0.04
	Revenue gap from 2010-11 to 2016-17	-
	Revenue gap of true up of 2017-18	-
16	Net ARR	185.95
17	Revenue from Sale of Power	191.15
18	Revenue Gap / (Surplus) (Sr. No. 16- Sr. No. 17)	(5.20)

Table 1: Summary of ARR and Revenue Gap/(Surplus) claimed in True-Up ofFY 2020-21 (Rs. Crore)

#### **Public Hearing**

- The Commission held public hearing on the True-up petition for FY 2020-21 through video conferencing on 24<sup>th</sup> March, 2022.
- 1.8 The Commission has ensured transparency with regard to public participation and meticulously observed the same at every stage. Adequate opportunity was given to all stakeholders to file as well as present their objections/comments/suggestions on the petition. The Commission has observed that one (1) stakeholder has submitted suggestions/ comments / objections on the Petition within stipulated time and also made representation during the Public Hearing. Detail of stakeholder comments is annexed to this Order as Annexure-1.
- 1.9 As per the provisions of the Electricity Act, 2003 and relevant regulations notified in this regard, the Commission has finalized this order.

#### Allowable Revenue Gap / Surplus of MPIDC

1.10 Based on the scrutiny of various cost components under tariff principles laid down in the prevailing Madhya Pradesh Electricity Regulatory Commission (Terms and Conditions for Determination of Tariff for Supply and Wheeling of Electricity and Methods and Principles for Fixation of Charges) Regulations,2015 and its amendments thereof, regarding revenue income and expenditure of Petitioner, the Commission has considered following Revenue gap / (surplus) for FY 2020-21 for adjustment through Retail Supply Tariff in future:

Sr. No.	Particulars	Admitted in Tariff Order	Claimed	Admitted in True Up Order
1	Power Purchase Cost	156.98	157.77	156.63
2	Intra State Transmission charges	10.84	13.88	13.01
3	SLDC Charges	0.04	0.03	0.03
4	O&M Expenses	7.42	8.79	8.60
5	Depreciation	0.34	0.80	0.32
6	Interest and Finance Charges	1.40	1.72	1.16
7	Return on Equity	0.66	0.80	0.60
8	Lease Rent	0.00	2.19	0.00
9	Bad and Doubtful Debt	0.00	0.00	0.00
10	Income Tax	0.00	0.00	0.00
11	Total Expenses	177.70	185.99	180.36
12	Less: Other Income	2.44	0.04	2.95
13	Net Aggregate Revenue Requirement	175.26	185.95	177.40

#### Table 2: Revenue Gap/(Surplus) admitted by the Commission for FY 2020-21 (Rs. Crore)

#### ORDER ON TRUE UP OF ARR OF MPIDC FOR FY 2020-21

Sr. No.	Particulars	Admitted in Tariff Order	Claimed	Admitted in True Up Order
14	Revenue Gap / (Surplus) of Past True-ups form FY 2010-11 to FY 2016-17	21.72	0.00	21.72
15	Revenue Gap / (Surplus) of True-up of FY 2017-18	(6.26)	0.00	(6.26)
16	Total Aggregate Revenue Requirement	190.72	185.95	192.86
17	Revenue from Sale of Power	190.72	191.15	190.88
18	Revenue Gap/ (Surplus) (Sr. No. 16- Sr. No. 17)	-	(5.20)	1.98

- 1.11 The Commission has admitted the Revenue Gap of Rs. 1.98 Crore, as indicated in the table above, on the true up of FY 2020-21.
- 1.12 Ordered as above, read with the detailed reasons, grounds and conditions annexed herewith.

# 2. TRUE UP OF AGGREGATE REVENUE REQUIREMENT FOR FY 2020-21

#### Sales

#### **Petitioner's Submission**

2.1 The actual category-wise sales (in MU) for FY 2020-21 is 435.15 MU as against the sales of 420.18 MU approved in the Tariff Order for FY 2020-21.

#### **Commission's Analysis**

2.2 The Commission has verified the actual sales from the R-15 statement and Audited account submitted by the Petitioner. Accordingly, the Commission has admitted the sales as reflected in the R-15 statement and Audited Accounts for FY 2020-21. The claimed sales and admitted sales for FY 2020-21 is as shown below:

Table 3: Category wise sales admitted by the Commission for FY 2020-21 (MU)

Sr. No.	Consumer category	Claimed	Admitted
1	LT consumer categories		
2	Non-Domestic	0.09	0.09
3	Public Water Works and Street Light	0.14	0.14
4	Industrial	0.16	0.16
5	Total LT Sale	0.39	0.39
6	HT Consumer Categories		
7	Industrial	434.76	434.76
8	Non-Industrial	-	-
9	Total HT Sale	434.76	434.76
10	Total LT+HT Sale	435.15	435.15

#### **Power Purchase**

#### **Petitioner's Submission**

- 2.3 The Petitioner has claimed actual distribution loss of 1.34% for FY 2020-21.
- 2.4 The Petitioner has met its entire power requirement for FY 2020-21 from MPPMCL, considering the actual distribution losses, intra state transmission losses at 2.59%. Power purchase requirement claimed by the Petitioner for FY 2020-21 is 452.80 MU

#### **Commission's Analysis**

- 2.5 The Commission has observed that the Petitioner is able to achieve lower distribution loss of 1.34% as compared to normative distribution losses of 1.50% allowable as per MYT Regulations, 2015 and its amendments thereof. Accordingly, the Commission has approved the actual distribution loss of 1.34% for FY 2020-21 as claimed by the Petitioner.
- 2.6 Further, for computing the energy requirement of FY 2020-21, the Commission has admitted the actual MPPTCL loss of 2.62% for FY 2020-21 as per the Regulatory Compliance Report submitted by MPPTCL.
- 2.7 The energy balance / power purchase requirement on the basis of the sales and losses admitted by the Commission for the Petitioner for FY 2020-21 is shown in the following table:

Sr. No.	Particulars	Claimed	Admitted
1	Sales (MU)	435.15	435.15
2	Distribution Loss (%)	1.34%	1.34%
3	Distribution Loss (MU)	5.92	5.92
4	Input at MPIDC boundary (MU)	441.07	441.07
5	Intra-State Transmission Loss (%)	2.59%	2.62%
6	Intra-State Transmission Loss (MU)	11.73	11.87
7	Energy Requirement (MU)	452.80	452.94

#### Power Purchase Cost & Transmission charges

#### **Petitioner's Submission**

2.8 The Petitioner has executed a long-term power purchase agreement with MPPMCL for a quantum of 40 MW with effect from 1<sup>st</sup> April, 2015 on 29<sup>th</sup> March, 2016. The Petitioner had also signed supplementary agreement with MPPMCL on 31<sup>st</sup> March, 2017, 1<sup>st</sup> August, 2018 and 28<sup>th</sup> August, 2020 and enhanced the contracted capacity to 45 MW, 50 MW subsequently again increased it to 55 MW. Based on this power purchase arrangement the Petitioner has met its entire power requirement from MPPMCL for FY 2020-21. Net Power purchase expense from MPPMCL during FY 2020-21 amounted to Rs. 155.76 Crore, including MPPMCL's power trading margin of Rs. 1.74 Crore and rebate on power sales of Rs. 0.28 Crore.

- 2.9 The Petitioner has submitted that it has not incurred any Inter-state transmission charges as the entire power requirement has been met from MPPMCL during FY 2020-21.
- 2.10 The Petitioner has incurred intra-state transmission charges of Rs. 13.88 Crore and SLDC charges of Rs. 0.03 Crore during FY 2020-21.

#### **Commission's Analysis**

- 2.11 The Commission has considered total power purchase cost for FY 2020-21 as per the audited accounts.
- 2.12 The Commission has observed that the Petitioner has claimed trading margin of Rs. 1.74 Crore for FY 2020-21. On analysis of the account, it is observed that in Note 2.15 of its audited account for FY 2020-21, it is clearly specified that in the absence of Commission's approval of trading margin, only provisioning is being done and no actual payment of trading margin is being made to MPPMCL. Therefore, considering that the Commission has not approved recovery of any trading margin by MPPMCL, expense towards the trading margin has not been allowed to the Petitioner. For claiming trading margin in future, appropriate petition should be filed before the Commission.
- 2.13 Further, the Commission has observed that the petitioner has claimed rebate on power sales of Rs. 0.28 Crore for FY 2020-21 as part of Power Purchase Cost. On analysis, it was observed that the rebate that the petitioner has provided to its consumers on power sales, pertains to revenue from Sales of power. Therefore, the Commission consider it appropriate not to consider rebate on power sales in power purchase cost rather the same has been reduced from revenue from sales of power.
- 2.14 The Commission has considered the actual transmission and SLDC charges paid by the Petitioner as per audited account for FY 2020-21.
- 2.15 Accordingly, the admitted power purchase cost for FY 2020-21, is as shown below:

Table 5: Power Purchase Cost (including Transmission and SLDC Charges) admittedby the Commission for FY 2020-21 (Rs. Crore)

Sr.	. No.	Particulars	Claimed	Admitted
	1	Power Purchase from MPPMCL	155.76	156.63
	2	Trading Margin	1.74	0.00

Sr. No.	Particulars	Claimed	Admitted
3	Rebate on Power Sale	0.28	0.00
4	Total Power Purchase Cost	157.77	156.63
5	Intra-State Transmission Charges	13.88	13.01
6	SLDC Charges	0.03	0.03
7	Total Power Purchase Cost and Transmission Charges including SLDC Charges	171.69	169.67

#### Gross Fixed Assets (GFA) and Capitalisation

#### **Petitioner's Submission**

- 2.16 The opening value of the GFA for FY 2020-21 has been considered as per the closing value of GFA for FY 2019-20.
- 2.17 The additions to asset have been considered as per the actual capitalisation for FY 2020-21. The actual GFA capitalisation of the Petitioner pertaining to power business for FY 2020-21 is Rs. 1.11 Crore.

#### **Commission's Analysis**

- 2.18 The Commission has considered the closing balance of GFA admitted in True-up order of FY 2019-20 as the opening balance of GFA for FY 2020-21.
- 2.19 In reply to data gaps, the Petitioner submitted that out of total GFA addition of Rs. 1.11 Crore in FY 2020-21, Rs. 1.10 Crore is towards replacement of various equipment of 33/11 kV substation at SEZ and Rs. 0.01 Crore is toward maintenance of substation building.
- 2.20 The Commission has observed that the GFA addition of Rs. 1.11 Crore is towards upkeep of the existing infrastructure for providing supply to the consumers. Accordingly, the GFA addition of Rs. 1.11 Crore has been admitted by the Commission for FY 2020-21, which is as follows.

#### Table 6: GFA Capitalisation admitted by the Commission for FY 2020-21 (Rs. Crore)

Sr. No.	Particulars	Claimed	Admitted
1	Plant and Machinery	1.11	1.11
2	Total	1.11	1.11

2.21 The Commission has observed that Closing GFA for FY 2019-20 was Rs. 31.76 Crore. The Same has been considered as Opening GFA for FY 2020-21. Petitioner has wrongly claimed Rs. 23.69 Crore as Opening GFA for FY 2020-21. The GFA admitted for FY 2020-21, based on the Capitalisation admitted by the Commission, is as below:

Sr. No.	Particulars	Claimed	Admitted
1	Opening GFA	23.69	31.76
2	Addition during the Year	1.11	1.11
3	Adjustment during the Year	0.00	0.00
4	Closing GFA	24.79	32.87

Table 7: GFA Admitted by the Commission for FY 2020-21 (Rs. Crore)

# **Funding of Capitalisation**

#### **Petitioner's Submission**

- 2.22 The Petitioner has submitted that the funding of above-mentioned capital expenditure is done through various sources which are mainly categorized under following headings, namely:
  - i. Consumer Contribution;
  - ii. Equity; and
  - iii. Debt.
- 2.23 The Petitioner has considered the entire funding of the assets (other than those funded through consumer contribution) for FY 2020-21 through equity. However, in line with the provisions of MYT Regulations, 2015 and its amendments thereof and approach adopted by the Commission in the past, the quantum of equity has been restricted at 30% of the total funding requirement and the remaining quantum is treated as normative debt.

# **Commission's Analysis**

- 2.24 Regulation 21.1 of the MYT Regulations, 2015 and its amendments thereof specifies that debt-equity ratio shall be 70:30 for calculation of interest on loan and for return on equity. Further, equity addition is to be limited to 30% of the net GFA and equity in excess of 30% is to be considered as normative loan.
- 2.25 The Commission observed that the Petitioner has received consumer contribution of Rs. 0.13 Crore for FY 2020-21. Further, remaining balance consumer contribution of Rs.0.97 Crore is also required to be considered as per true-up order of FY 2019-20. Accordingly, the Commission has admitted consumer contribution

of Rs. 1.09 Crore and reduced the same from total admitted GFA of Rs. 1.11 Crore to arrive at the net GFA of Rs. 0.02 Crore.

2.26 The Petitioner has not availed any actual loan and has funded the capitalisation entirely through equity. Therefore, the Commission has restricted equity addition to 30% of the net GFA, whereas, equity in excess of 30% has been considered as normative loan. Accordingly, the funding of the capitalisation approved for FY 2020-21 is shown as follows:

Sr. No.	Particulars	Claimed	Admitted
1	Total Capitalisation	1.11	1.11
2	Consumer Contribution and Grants for FY 2020-21	0.13	0.13
3	Balance Consumer Contribution and Grants from previous years true-ups	-	0.97
4	<b>Consumer Contribution and Grants Admitted for FY 2020-21</b>		1.09
5	Net Capitalisation	0.98	0.02
6	Normative Debt	0.68	0.01
7	Normative Equity	0.29	0.01

Table 8: Admitted funding of Capitalisation for FY 2020-21 (Rs. Crore)

#### **Operations and Maintenance Expenses**

#### **Petitioner's Submission**

- 2.27 The Operations and Maintenance (O&M) Expenses consists of the following elements as per Regulation 34.1 of the MYT Regulations, 2015 and its amendments thereof:
  - Employee Expenses
  - Repairs and Maintenance (R&M) Costs
  - Administrative and General (A&G) Expenses
  - MPERC Expenses

#### **Employee Expenses**

2.28 The employees of Petitioner's various department like planning, commercial, technical, legal, financial & accounts, administration etc. are involved in activity of power business. The actual employee expenses for FY 2020-21 as incurred by the

Petitioner based on the provisional account is Rs. 3.02 Crore, including DA and terminal benefits.

#### A&G Expenses

2.29 The Petitioner has submitted that actual A&G expenses incurred for FY 2020-21 is Rs. 2.20 Crore, which is lower than the normative A&G expenses set by the Commission in the MYT Regulations, 2015 and its amendments thereof.

#### **R&M** Expenses

- 2.30 The Petitioner submitted that it has entered into an agreement with MPPKVVCL, Indore on dated 26<sup>th</sup> March, 2013 to carry out all R&M Expenses of its Electrical Network situated in the Special Economic Zone Phase I and Phase II in Pithampur area of the Dhar District and also to provide consultancy services in various techno-commercial matters relating to the distribution and supply of electricity in the Special Economic Zone area for an initial period of 3 years from the effective date. For first six months of FY 2016-17, MPPKVVCL was carrying out all R&M activities. Subsequently, the Petitioner has entered into agreement with PTC India Ltd. on 29 September, 2016 for R&M activities of its electrical network and other consultancy services at lower rates.
- 2.31 The Petitioner has submitted that the Commission had considered this expenditure in its earlier Tariff Order for the FY 2013-14, FY 2014-15 and FY 2015-16. The relevant extracts of the Tariff Order for FY 2013-14 dated 10 September, 2013 has been reproduced below:

"2.47 The Commission noticed that the petitioner has filed O&M expenses as per the Regulations and has also filed the expenses as per the agreement signed with MPPKVVCL, Indore dated March 26, 2013. The petitioner has requested that the expenses in accordance with the agreement executed by them with MPPKVVCL be allowed. MPPKVVCL has to undertake all activities related to O&M expenses and also to provide consultancy services in various technocommercial matters relating to the distribution and supply of electricity in the SEZ area. The Commission is of the view that looking at the difficulties faced by the petitioner in the past related to its power business, it would be prudent to consider the contract between the petitioner and MPPKVVCL, Indore in the interest of the consumers. **MPPKVVCL is a State owned Distribution Licensee** and has expertise in operation and maintenance of power distribution system. [Emphasis Added]"

- 2.32 With PTC India managing R&M activities, various distribution of power related aspects has improved considerably, including:
  - The distribution loss levels have reduced significantly, and hard efforts are being pushed to reduce it further;
  - The Petitioner has successfully upgraded its connectivity levels to grid from 33 kV to 132 kV voltage level;
  - Quality of supply has improved considerably, with minimum tripping and uninterrupted supply of power;
  - Scheduling practices have been optimized resulting into effective procurement;
  - Number of incoming and outgoing feeders have been optimized and increased resulting into redundant supply, appropriate loading levels, load bifurcation and further reduction of distribution losses.
  - Consumer satisfaction level has improved with implementation of 24x7 call center and expeditious resolution of network and supply related issues.
- 2.33 The Petitioner has also submitted that a part of R&M expenses of Rs. 3.54 Crore incurred for FY 2020-21 is reflected as part of Power Purchase Cost in the provisional financials. However, for the purpose of filing of this Petition, the Petitioner has re-classified the same as a part of the R&M expenses. Accordingly, the Petitioner has requested the Commission to approve actual R&M Expenses of Rs. 3.54 Crore for FY 2020-21.

#### **MPERC Fees**

2.34 The Petitioner has submitted that the actual MPERC Fees for FY 2020-21 is Rs.0.03 Crore.

#### **Commission's Analysis**

- 2.35 Operation and Maintenance expenses comprise of the following heads:
  - Employees Expenses which includes the salaries, dearness allowance, dearness pay, other allowances and retirement benefits paid to the staff;

- Repair and Maintenance (R&M) Expenses, which include all expenditure incurred on the maintenance and upkeep of transmission and distribution assets; and
- Administrative and General Expenses, which include all expenditure incurred in operating a business such as telephone charges, regulatory and consultancy fees such as energy auditing and chartered accountant fees, conveyance and travel expenses, water charges etc.
- MPERC Fees, is the fees payable to the MPERC as per Regulations.
- 2.36 It is observed that the Petitioner has claimed the Employee and Administrative & General Expense as per actuals, whereas the Repair & Maintenance Expense has been claimed as per the agreement dated with PTC.
- 2.37 As per MYT Regulations, 2015 and its amendments thereof, basic salary of employee is allowable as per the norms specified in the Regulations, whereas, terminal benefits and arrears are allowable as per actuals. With regard to A&G Expenses, it is allowable in accordance with the norms specified in the Regulations, whereas MPERC fees is to be allowed on actuals. As per MYT Regulations, 2015 and its amendments thereof, R&M Expenses are allowable on normative basis i.e. 5% of the opening GFA for the year.
- 2.38 On analysis of O&M Expenses, it is observed that the actual Employee and A&G expenses are lower than the normative expenses allowable as per Regulations, whereas actual R&M Expenses are higher than the normative R&M expenses allowable as per Regulations. Comparison of Actual and Normative O&M Expenses is shown below:

(				
Sr. No.	Particulars	Claimed	Actual	Normative
1	Salary	-	1.18	2.75
2	Dearness Allowance	-	1.59	1.59
3	Terminal Benefits	-	0.31	0.31
4	Arrears	-	0.01	0.01
5	Total	3.02	3.09	4.66

 

 Table 9: Comparison of Actual and Normative Employee Expenses for FY 2020-21 (Rs. Crore)

		21010)		
Sr. No.	Particulars	Claimed	Actual	Normative
1	A&G Expenses	2.20	2.20	2.33
2	MPERC Fees	0.03	0.03	0.03
3	Total A&G Expenses	2.23	2.23	2.36

 

 Table 10: Comparison of Actual and Normative A&G Expenses for FY 2020-21 (Rs. Crore)

Table 11: Comparison of Actual and Normative R&M Expenses for FY 2020-21(Rs. Crore)

(100 01010)					
Sr. No.	Particulars	Claimed	Actual	Normative	
1	R&M Expenses	3.54	3.52	1.59	

- 2.39 The primary reason for Employee Expenses being lower than the normative is that the petitioner has outsourced R&M activity to external agency i.e. PTC. On the other hand, the actual R&M Expenses is higher as compared to normative R&M expenses allowable as per Regulations due to the fact that the Repair and Maintenance activity has been outsourced and it would also include part of the employee expenses. Accordingly, considering the fact that the Petitioner has been able to achieve distribution loss targets consistently in past years, the Commission in this order has admitted O&M Expenses considering that the norms specified in the Regulations are the ceiling norms and thereby allowing O&M expenses on actuals in totality, if the same is lower as compared to norms specified in the Regulations.
- 2.40 Accordingly, based on the above, the total O&M expenses admitted by the Commission for FY 2020-21 is shown in the table below:

Table 12: O&M Expenses admitted by the Commission for FY 2020-21 (Rs. Crore)

Sr. No.	Particulars	Claimed	Actual	Normative	Admitted
1	O&M Expenses	8.79	8.84	8.60	8.60

#### Depreciation

# **Petitioner's Submission**

2.41 The Petitioner has submitted that the rates of depreciation as specified in the MYT Regulations, 2015 and its amendments thereof have been considered for the computation of depreciation for FY 2020-21. The additions to asset have been considered as per the actual Capitalisation for FY 2020-21. Accordingly, the Petitioner has computed Depreciation for FY 2020-21 as Rs. 0.80 Crore.

2.42 The Petitioner further submitted that it has reduced the amortization of the assets capitalized from the consumer contribution for FY 2020-21. Accordingly, net depreciation on GFA for FY 2020-21, after reducing amortization on consumer contribution of Rs. 0.37 Crore is Rs. 0.80 Crore as follows:

Sl. No.	Particulars	Actual
1	Depreciation	1.17
2	Less: Consumer contribution amortized	0.37
3	Net Depreciation	0.80

Table 13: Depreciation claimed by the Petitioner for FY 2020-21 (Rs. Crore)

#### **Commission's Analysis**

2.43 The Commission has considered the capitalisation for FY 2020-21 as detailed earlier in this Order. Depreciation has been computed considering the rates of depreciation as per MYT Regulations, 2015 and its amendments thereof as specified class of assets. Further, the Commission has not allowed depreciation on assets created through consumer contribution and grants. Accordingly, the computation of depreciation rate considered by the Commission for approval of depreciation for FY 2020-21 is as shown below:

Sr. No.	Particulars	Depreciation Rate (%)	Opening GFA	Net Addition during the year	Closing GFA	Average GFA	Gross Depreciation
1	Furniture & Fixtures	6.33%	0.21	0.00	0.21	0.21	0.01
2	Computers	5.28%	0.02	0.00	0.02	0.02	0.00
3	Buildings	3.34%	4.23	0.00	4.23	4.23	0.14
4	Plant & Machinery	5.28%	27.30	1.11	28.41	27.85	1.47
5	Total		31.76	1.11	32.86	32.31	1.63
6	Weighted Average Depreciation Rate (%)						5.03%

Table 14: Computation of depreciation rate for FY 2020-21 (Rs. Crore)

2.44 Further, the Commission has observed that claims against depreciation by the Distribution License has not been duly substantiated by the detailed Fixed Asset Registers in the format prescribed by the Commission to ensure that claims made are only against those assets, which have not been fully depreciated and the depreciation is being charged as per the approach specified in the Regulations. Distribution License in the past also did not submit these details despite repetitive

directions of the Commission. Accordingly, in order to reprimand the Petitioner, the Commission in truing up for FY 2020-21 has disallowed 50% of the depreciation allowable for FY 2020-21.

2.45 Based on the depreciation rate computed above, the net depreciation admitted by the Commission for FY 2020-21 is as follows:

Sr. No.	Particulars	Admitted
1	Net Opening GFA as on 1 <sup>st</sup> April, 2020 (as per closing net GFA approved in true up order of FY 2019-20)	12.58
2	Net addition to GFA of Consumer Contribution and Grants	0.02
3	Net Closing GFA as on 31st March, 2021	12.60
4	Average Net GFA	12.59
5	Depreciation Rate (%)	5.03%
6	Depreciation	0.63
7	50% Depreciation disallowed on account of Non-Submission of FAR	0.32
8	Net Depreciation Admitted	0.32

<b>Table 15: Net Depreciation</b>	admitted by the Commissio	on for FY 2020-21 (Rs. Crore)

#### **Interest and Finance Charges**

#### **Interest on Project Loans**

#### **Petitioner's submission**

- 2.46 The Petitioner has submitted that for assessing interest charges on loans for FY 2020-21, the opening balance of loan has been considered to be equal to closing loan balance of the same for the previous year. The addition to loan for FY 2020-21 has been considered based on the actual Capitalisation during the year.
- 2.47 The repayment of the loan during the year has been considered equal to depreciation charged for the financial year as per clause 31.3 of the MYT Regulations, 2015 and its amendments thereof. Since the Petitioner does not have actual loans, the weighted average rate of interest of three State Discoms of 7.00%, as admitted by the Commission in its Retail Supply Tariff Order for the FY 2020-21 has been considered, in line with the approach adopted by the Commission in its earlier Tariff Orders in approving the Interest and finance charges.

#### **Commission's Analysis**

- 2.48 The Commission has considered the opening net loan for FY 2020-21 as per the closing net loan for FY 2019-20 as approved in true up order for FY 2019-20. Loan addition during the year has been considered as 70% of the net capitalisation (net of consumer contribution) admitted for the year. The repayment has been considered equivalent to admitted depreciation for the year.
- 2.49 Interest on loan has been computed considering interest rate of 7.24%, as admitted by the Commission in true up of State DISCOMs of FY 2020-21, dated 23<sup>rd</sup> March, 2022. The interest on loans as admitted by the Commission for FY 2020-21 is as shown below:

Table 16: Interest and finance charges admitted by the Commission for FY 2020-21(Rs. Crore)

Sr. No.	Particulars	Claimed	Admitted
1	Net Opening Loan as on 1 <sup>st</sup> April, 2020	11.43	5.54
2	Addition to net loan during the year	0.68	0.01
3	Repayment during the year	0.80	0.32
4	Total net loan as on 31 <sup>st</sup> March, 2021	11.31	5.23
5	Average Net Loan	11.37	5.39
6	Interest Rate (%)	7.00%	7.24%
7	Interest on Loans	0.80	0.39

#### **Interest on Security Deposit**

#### **Petitioner's Submission**

2.50 The Petitioner has submitted that the actual interest paid on consumer security deposit for FY 2020-21 is Rs. 0.77 Crore as per the provisional annual accounts.

#### **Commission's Analysis**

2.51 The Commission for true-up of ARR for FY 2020-21, has admitted the actual interest on consumer security deposit of Rs. 0.77 Crore as per the Audited Accounts.

#### **Interest on Working Capital**

#### **Petitioner's Submission**

2.52 The Petitioner has submitted that the Interest on working capital has been calculated on the basis of normative parameters as provided in the Clause 22.1 of the MYT Regulations, 2015 and its amendments thereof which have been reproduced below:

*"22. Working capital.-*

22.1. Following shall be included in the working capital for supply activity of the Licensee:

(1) Receivables of two months of average billing reduced by power purchase cost of one month and any consumer security deposit, O&M expenses for one month, and Inventory (meters, metering equipment, testing equipment are particularly relevant in case of supply activity) for 2 months based on annual requirement for previous year.

22.2. Following shall be included in the working capital for wheeling activity of the Licensee:

(i) O&M expenses for one month, and Inventory (excluding meters, etc. considered part of supply activity) for 2 months based on annual requirement considered at 1% of the gross fixed assets for previous year."

2.53 The rate of interest considered is the State Bank Advance Rate (SBAR) as on 1<sup>st</sup> April,2020 as provided in Regulation 36 of the MYT Regulations, 2015 and its amendments thereof.

#### **Commission's Analysis**

- 2.54 The MYT Regulations specify that the Working capital for supply activity of the licensee shall consist of:
  - i. Receivables of two months of average billing reduced by power purchase cost of one month and any consumer security deposit,
  - ii. O&M expenses for one month, and
  - iii. Inventory (meters, metering equipment, testing equipment are particularly relevant in case of supply activity) for 2 months based on annual requirement for previous year.
- 2.55 Working capital for wheeling activity of the licensee shall consist of:
  - i. O&M expenses for one month, and
  - ii. Inventory (excluding meters, etc. considered part of supply activity) for 2 months based on annual requirement considered at 1% of the gross fixed assets for previous year.

2.56 Further, as per the Regulations, the rate of interest on working capital shall be equal to the State Bank Prime Lending Rate as on 1<sup>st</sup> of April of the relevant year. SBI PLR rate as on 1<sup>st</sup> April, 2020 was 12.90%. Accordingly, the Commission has considered the same for computing the interest on working capital for FY 2020-21. The summary of interest on working capital admitted by the Commission for FY 2020-21 is shown in the Table below:

(Rs. Crore)			
Particulars	Claimed	Admitted	
eling Activity			
1/6th of annual requirement of inventory for previous year	0.24	0.04

#### Lease Rent

#### **Petitioner's Submission**

- 2.58 The Petitioner has submitted that it is the SEZ developer who is responsible for providing various services to the business units who setup their factories in the SEZ premises. As a deemed licensee, the Petitioner also supplies power to the occupants of the SEZ. For this purpose, MPIDC (SEZ Developer) has provided land to power business of the Petitioner for setting up its infrastructure necessary for providing power to the industrial units. Against this land which has been allocated to the power business, the Petitioner is charging lease rent for the area allocated to the power business which is a separate business unit within the company and is a distribution licensee recognised by the Commission.
- 2.59 As per Clause 33 of the MYT Regulations, 2015 and its amendments thereof:

"33. Lease/ Hire Purchase charges.-

Lease charges for assets taken on lease by Distribution Licensee shall be considered as per lease agreement provided the charges are considered reasonable by the Commission."

- 2.60 Lease rent is a legitimate expense and should be permitted to be recovered as an expense through the ARR. The lease rent is being charged by MPIDC as it is an opportunity cost lost for the SEZ business as they could have leased out this land to some other industry and received lease rent against it.
- 2.61 Further, as a distribution licensee, in normal course of action, the Petitioner would have purchased this land for establishment of its power distribution infrastructure. The cost incurred for purchase of land gets capitalized and the Commission allows depreciation, interest on loan and return on equity chargeable on account of this cost as part of ARR. Accordingly, this expenditure, in the form of either lease rent or depreciation, interest on loan and return on equity chargeable on the capital cost incurred by the Petitioner, is inevitable.
- 2.62 The Petitioner has sought lease rent in its review petition 86 of 2012 and the Commission in its Order dated 21st December, 2012 has disallowed lease rent sighting reason of non-payment. The relevant part of the same is reproduced here below for reference.

"ii. Land Premium and Lease rent charges:

....

The Commission considered the matter and observed that in the instant case since no actual payments are being made to the SEZ on account of land premium or lease rent such notional expense cannot be charged to the consumers. The claim made by the petitioner in this regard is not sustainable."

- 2.63 The Petitioner has submitted that as it has now made all past payments towards lease rent, the Commission is requested to approve lease rent on actual basis as incurred by the Petitioner.
- 2.64 There have been instances in other states wherein the Commission has allowed this expenditure pertaining to lease rental as a pass through in the tariff over and above the other expenses.
- 2.65 A precedence in this matter can be seen in case of approval of the Truing-up of FY 2013-14 and FY 2014-15, Provisional Truing-up of FY 2015-16, and Projection of ARR for the 3rd Control Period FY 2016-17 to FY 2019-20 for the transmission licensee MEGPTCL in Maharashtra by the MERC in Case no. 50 of 2016. In the said case, the land for Akola-II Sub-station was initially to be purchased and handed over by MSETCL to MEGPTCL, however, later on based on management decision, the land was later leased out to MEGPTCL. Accordingly, while the total capital cost of land in the overall capital cost was reduced, the corresponding increase in the lease rental for the same was factored as additional Operation and Maintenance (O&M) expenses in the ARR for the Control Period. Considering the facts of the case, the Hon'ble Commission had admitted the least rent for Akola II Sub-station over and above the normative O&M expenses of MEGPTCL prescribed in the MYT Regulations.
- 2.66 The Petitioner has requested the Commission to allow lease rent of Rs. 2.19 Crore charged to MPIDC to the power business as a legitimate expenditure as part of the ARR for FY 2020-21.

#### **Commission's Analysis**

2.67 The Commission in its Regulations has clearly defined the expenses and costs that can be passed on to the consumers in its ARR. The expense in form of lease rent

has not been considered as legitimate expense to be passed on in the ARR.

- 2.68 The recovery of asset utilization in form of depreciation, return on equity and interest on debt has been defined on premise of adequate cost recovery after detailed deliberation and stakeholder consultation. Whereas there is no reliable basis of the amount of lease rental being claimed by the Petitioner.
- 2.69 Further, the submission of the Petitioner that it has paid the lease rent is also not correct. Such expense has not been paid in actuals and is only a book entry from one department of Petitioner Company to another, which cannot be called as expense for passing it to ARR. The Commission in provisional true up for FY 2010-11 and FY 2011-12 had not allowed the lease rent, which was upheld by the Hon'ble APTEL also in Appeal No. 71 of 2013 filed by the Petitioner. Aggrieved by the same the Petitioner has filed an Appeal before the Hon'ble Supreme court of India, which is sub judice.
- 2.70 Accordingly, with respect to the view taken by the Commission in order for provisional true up of FY 2010-11 and FY 2011-12, the Commission has not admitted the lease rent as claimed by the Petitioner as the matter is sub-judice before Hon'ble Supreme Court. The expense in form of lease rent has not been considered as legitimate expense to be passed on in the ARR.

#### **Return on Equity**

#### **Petitioner's Submission**

2.71 The Petitioner has submitted that as per Regulation 30.2 of the MYT Regulations,2015 and its amendments thereof

"30.2. Return on equity shall be computed on pre-tax basis at the rate 16%. Any expenses on payment of Income Tax shall be allowed extra on actual basis on the licensed business of Distribution Licensee."

- 2.72 Accordingly, the Petitioner has computed the return on equity considering a rate of return on equity at 16%.
- 2.73 The opening equity for FY 2020-21 is considered to be equal to closing value for the previous year as submitted in True up Petition for the previous year. Since the Petitioner did not have any tax liability for FY 2020-21, no tax on income has been claimed by the Petitioner.

#### **Commission's Analysis**

2.74 Return on Equity (RoE) has been computed on pre-tax basis @ 16% as per provisions of MYT Regulations, 2015 and its amendments thereof. The opening equity for FY 2020-21 identified with the admitted GFA has been considered as per the closing equity admitted by the Commission in true up order for FY 2019-20. Further, the equity addition has been considered as 30% of the net GFA admitted by the Commission for FY 2020-21. The total equity identified along with RoE as admitted for FY 2020-21 is shown in the table below:

Table 19: Return on Equity admitted by the Commission for FY 2020-21 (Rs. Crore)

Sr. No.	Particulars		Admitted
1	Equity associated with GFA as on the beginning of the year	4.90	3.77
2	30% of addition to net GFA considered as funded through equity	0.21	0.01
3	Total equity associated with GFA at the end of the year	5.10	3.78
4	Average equity associated with GFA at the end of the year	5.00	3.77
5	Rate of Return on equity (%)	16.00%	16.00%
6	Return on Equity	0.80	0.60

#### Income Tax

#### **Petitioner's Submission**

2.75 The Petitioner has not claimed any Income tax for FY 2020-21.

#### **Commission's Analysis**

2.76 Since, the Petitioner has not made any payment towards income tax, the Commission has approved Income Tax as nil.

#### **Other Income**

#### **Petitioner's Submission**

2.77 The Petitioner has submitted an amount of Rs. 0.038 Crore towards Other Income for FY 2020-21.

#### **Commission's Analysis**

2.78 The Commission has observed that the Petitioner has not considered the rebate of Rs. 2.92 Crore received on power purchase in other income. However, the Commission has considered the same as part of other income in line with the approach adopted in previous true up orders, to pass on the benefit of reduction in power purchase cost to the consumers. The similar approach is also adopted by many other States. Accordingly, the other income admitted by the Commission as per audited accounts for FY 2020-21 is shown in the table below:

Table 20: Other Income admitted b	v the Commission for FY 2020-21 (	Rs. Crore)
Tuble 201 Other Income aumitted b		

Sr. No.	Particulars	Claimed	As per Accounts	Admitted
1	Other Income	0.038	2.95	2.95

2.79 Based on the above, the ARR admitted by the Commission in true up of FY 2020-21 is shown in the following table:

Sr. No.	Particulars	Admitted in Tariff Order	Claimed	Admitted in True Up Order
1	Power Purchase Cost	156.98	157.77	156.63
2	Intra State Transmission charges	10.84	13.88	13.01
3	SLDC Charges	0.04	0.03	0.03
4	O&M Expenses	7.42	8.79	8.60
5	Depreciation	0.34	0.80	0.32
6	Interest and Finance Charges	1.40	1.72	1.16
7	Return on Equity	0.66	0.80	0.60
8	Lease Rent	0.00	2.19	0.00
9	Bad and Doubtful Debt	0.00	0.00	0.00
10 Income Tax		0.00	0.00	0.00
11	Total Expenses	177.70	185.99	180.36
12	Less: Other Income	2.44	0.04	2.95
13	Net Aggregate Revenue Requirement	175.26	185.95	177.40
14	Revenue Gap / (Surplus) of Past True-ups form FY 2010-11 to FY 2016-17	21.72	0.00	21.72
15	Revenue Gap / (Surplus) of True-up of FY 2017-18	(6.26)	0.00	(6.26)
16	Total Aggregate Revenue Requirement	190.72	185.95	192.86

#### Table 21: ARR admitted by the Commission for FY 2020-21 (Rs. Crore)

# **Revenue from Sale of Power**

#### **Petitioner's Submission**

2.80 The Petitioner has submitted that the revenue from sale of power for FY 2020-21 isRs. 191.15 Crore.

#### **Commission's Analysis**

- 2.81 The Commission has observed that the actual revenue from sale of power as per audited account is Rs. 191.15 Crore and same has been claimed by the Petitioner. However, on analysis of the audited account it is observed that the Rebate on power sales of Rs. 0.28 Crore booked under Schedule 9 (Power Purchase and Direct Expenses to Power Purchase) of the Profit and Loss Statement has not been included in Revenue from Sales of Power under Schedule 7 of Profit and Loss statement and separately claimed by the Petitioners in Power Purchase Cost. As the rebate provided by the Petitioner to its consumers is based on the various rebate allowed by the Commission in Petitioner's Tariff Order, to increase revenue of the Petitioner. Therefore, impact of these rebate also needs to be considered under Revenue from Sale of Power and not as an expense.
- 2.82 In view of the above, the Commission has reduced rebate of power sales of Rs. 0.28
  Crore from actual Revenue from Sale of Power as per audited account of FY 202021. The admitted revenue of Rs. 190.88 Crore, is shown in the following table:

Table 22: Revenue from Sales as admitted by the Commission for FY 2020-21 (Rs. Crore)

Sr. No.	Particulars	Claimed	Admitted
1	Revenue from the Sale of Power	191.15	190.88

#### Revenue Gap/Surplus for true-up of ARR for FY 2020-21

2.83 Based on the scrutiny of various cost components regarding revenue income and expenditures of Petitioner, the Commission has considered the following Revenue Gap / (Surplus) for FY 2020-21 for adjustment through Retail Tariffs in future:

 

 Table 23: Revenue Gap/Surplus admitted by the Commission for FY 2020-21 (Rs. Crore)

Sr. No.	Particulars	Approved in Tariff Order	Claimed	Admitted
1	ARR	190.72	185.95	192.86
2	Revenue from Sale of Power	190.72	191.15	190.88
3	Revenue Gap/ (Surplus)	-	(5.20)	1.98

# 3. DIRECTIVES ISSUED FOR TRUE-UP ORDER FOR FY 2020-21

#### 3.1 Non-Compliance of Renewable Purchase Obligation

#### **Commission's Directives:**

The Commission has observed that the Petitioner has not met its Renewable Purchase Obligation (RPO) for FY 2020-21. In view of this, the Commission directs the Petitioner to submit the details of the compliance made by the Petitioner towards RPO trajectory specified by the Commission in MPERC (Cogeneration and Generation of Electricity from Renewable Sources of Energy) Regulations, 2010 and amendments thereof for FY 2020-21 within three months from the date of issuance of this Order. The Commission will take appropriate action separately as per the provision of the aforesaid Regulations.

# 4. PUBLIC SUGGESTIONS AND COMMENTS ON LICENSEE'S PETITION

- 4.1 After admission of the True-up Petition for FY 2020-21 filed by the Petitioner, public notice comprising gist of the True-up proposal was issued on 23<sup>rd</sup> February, 2022 and published by Petitioner in the prominent English and Hindi newspapers (Free Press Journal, Indore in English and Nai Dunia, Indore in Hindi Language), requesting the Stakeholders to file their objections/ comments / suggestions, latest by 17<sup>th</sup> March, 2022 Further, the gist of the Petitions was uploaded on the Commission's and the Petitioner's websites.
- 4.2 In response to the Public Notice, one (1) of the stakeholder have filed their comments in true up Petition. Subsequently, the Commission held public hearing through video conferencing mode on 24<sup>th</sup> March, 2022 in which one (1) stakeholder presented its objection/ comment /suggestion on the Petition.
- 4.3 Objection/ Comment /Suggestion from the stakeholder, response of the Distribution License, and the Commission's views thereon are summarized in the following paragraphs.

# ISSUE No. 1: Availability of Tariff Order

# Issue Raised by Stakeholder

The Retail Supply Tariff Order for FY 2020-21 against Petition No.54/2020 is not available on MPERC website.

# **Response from Petitioner:**

The Petitioner submitted that the Retail Supply Tariff Order for FY 2020-21 against Petition No.54/2020 is available on MPERC website. The aforesaid Tariff Order is available in the section of 'Final Order' on the home page of the website.

# Commission's Views:

The Retail Supply Tariff Order for FY 2020-21 is already available on Commission Website.

#### **ISSUE** No. 2: Power Purchase Cost

#### **Issue Raised by Stakeholder**

In true-up petition actual power purchase cost per unit rate works out to Rs. 3.44/kWh for FY 2020-21 whereas, in Petition 62/2021 MP DISCOMs true-up of FY 2020-21 has submitted that the actual per unit rate for MP Genco thermal power plants is Rs. 4.47/kWh. Therefore, it can be observed that MPPMCL is selling power at reduced rate by Rs. 1.03/kWh which amount under recovery of Rs. 46.63 Crore.

#### **Response from Petitioner:**

Petitioner is purchasing power from MPPMCL as per the contract signed with MPPMCL, i.e from identified thermal stations, and is further paying to the MPPMCL as per the methodology specified in the said contract, i.e., considering the weighted average cost of identified thermal stations. For further optimizing cost of power procurement, the Petitioner keeps a check on power markets for procurement of power, however considering the volatility in prices and availability of domestic and international coal, it relies on MPPMCL for procurement which is further in-line with GoMP directions and serving the purpose of supply of uninterrupted and cost-effective power to its consumers.

#### **Commission's Views:**

The Commission has noted the submission of the stakeholder and response of the Petitioner. The Commission has admitted the power purchase cost as per the audited account of the Petitioner.
