

Schedule of Miscellaneous Charges

The Commission had earlier directed the MPSEB to come up with all types of miscellaneous charges for scrutiny of the Commission. This has not been complied with by the Board. However, a Schedule of existing Miscellaneous Charges has been submitted to the Commission by the Board on 27 November 2002. The MPSEB is hereby directed to come up to the Commission with detailed proposal for revision of miscellaneous and other charges, along with full justification by 31st December 2002, and till then the Commission allows the Board to levy the following miscellaneous charges:
