Sub: In the matter of review of tariff order dated 10.12.2004 issued by the Commission against Petition no. 07/2004 case of M/s Iron & Steel Re-rollers Association, Indore

ORDER
Petition No.02/05 : date: 19.7.2005

Shri R. Ramanujam , consultant appears on behalf of the petitioner.

Shri S.S.Agrawal, Addl.S.E. appears on behalf of the Board.

2. During hearing on 5.4.2005, the Board's representative was asked to submit Board's proposal on possibility of considering power supply to rolling mill consumers for 12 hours only from 6AM to 6PM. The Board's representative has submitted that Board is of the view that the Board had already filed tariff petition for FY06 and now no change is required therein for restricted supply hour tariff from 6.00 A.M. to 6.00 P.M. (12 hours) in respect of rolling mill consumers. The Board's representative also contended that the tariff order dated 29.6.2005 shall take care of the consumer's grievance effectively as the consumer may choose the tariff slab according to the load factor. The petitioner also agreed with the above contention.

3. In view of the above contention of the Board, the case relating to the petition no. 01/05 stands closed.
