- Petitioner

Shri R.S. Pandey, V.P., Shri Manish Singh, A.V.P., Shri Arvind Singh, Dy. Manager and Shri Vinay Urmaliya, Officer (Legal) of the Company appeared on behalf of the petitioner.

2. The petitioner, M/s Prism Cement Ltd. has filed this petition in the matter of application under Section 94(f) & (g) of the Electricity Act, 2003 and Section 151 of CPC seeking amendment in the Commission's order dated 08.02.2013.

3. The case was listed for motion hearing on 22.04.2014.

4. During the hearing, the petitioner reiterated the contents of the petition and requested the Commission to amend its order dated 08.02.2013 by directing the respondent to consider the reduction in contract demand effective from 03.03.2012 instead of 02.03.2012.

5. Having heard the petitioner and considering its written submissions, the Commission is of the view that the petition filed by the petitioner is essentially a review petition seeking review of Commission's order dated 08.02.2013. The Commission noted that in the order dated 08.02.2013, the effective date of reduction in contract demand was not mentioned. Therefore, the change of date is not an issue for consideration. Also, the petitioner could not produce any document which satisfies the conditions for review of order as contained in the Code of Civil Procedure, 1908.

6. In view of the above, the petition is dismissed.

Ordered accordingly.
