

Notified on 25/06/2010

Bhopal, 14th June, 2010

No. 1548 /MPERC/2010. In exercise of powers conferred by Section 181(1) and 181 (2) (x) read with Section 50 of the Electricity Act, 2003 and for removal of difficulties of various stakeholders, Madhya Pradesh Electricity Regulatory Commission hereby makes the following amendment in Madhya Pradesh Electricity Supply Code,2004 which was originally issued vide notification No. 861 dated 27.03.2004 and published on 16.04.2004.

**SEVENTEENTH AMENDMENT TO MADHYA PRADESH ELECTRICITY
SUPPLY CODE, 2004.**

1. Short Title and Commencement : (i) This Code may be called the "Madhya Pradesh Electricity Supply Code, 2004 (Seventeenth Amendment) [No. AG-I(xvii) of 2010]."

(ii) This Code shall come into force with effect from the date of its publications in the Official Gazette.

(iii) This Code shall extend to whole of the State of Madhya Pradesh.

2. Amendment in Chapter 3 of the Code :

In the Madhya Pradesh Electricity Supply Code,2004 hereinafter called the Principal Code, in the **Clause 3.4** of Chapter 3, the following shall be substituted, namely :

“3.4 The supply voltage for different contract demands shall normally be as follows:

Supply Voltage	Minimum contract demand	Maximum contract demand
230 volts	--	3 KW
400 volts	Above 2 KW	75 KW (connected load may be up to and including 150 HP)
11 KV	50 KVA	300 KVA
33 KV	100 KVA	10000 KVA
132 KV	5000 KVA	50000 KVA
220 KV	40000 KVA	---

Provided that on account of technical reasons, the deviation in respect of above minimum/ maximum contract demand, may be permitted after obtaining specific approval of the Commission. However, in case of Railways, the maximum and minimum limits of contract demand on various voltage levels indicated in the above table may be relaxed by the Licensee on mutual agreement depending on the actual requirement and feasibility.\

3. Amendment in Chapter 7 of the Code :

In the Principal Code, clauses 7.9, 7.10, 7.11, 7.12 and 7.14 of Chapter 7, the following shall be substituted as follows, namely :

- "7.9 If the consumer so desires, one time reduction in the contract demand shall be allowed within the period of first six months from the date of commencement of agreement or three months from the date of notification of this amendment, whichever is later. The reduction in contract demand shall be limited to 50% of the contract demand (existing at the time of making the application) provided the reduced contract demand shall not be less than the minimum contract demand for a particular voltage class as specified in Chapter 3 of this Code. Supply Affording Charges and other applicable charges once paid shall not be refunded.
- 7.10 Application for reduction in Contract Demand shall be submitted in duplicate to the Licensee in the form prescribed for change in contract demand. A Test report from a competent Licensed Electrical Contractor shall be submitted by the consumer along with the application where alteration of installation is involved.
- 7.11 On receipt of application for reduction in contract demand, the Licensee shall take the following steps:
- (a) The licensee shall consider the grounds stated in the application and allow the application or convey the reasons for non-consideration in writing within a period of 15 days.
 - (b) If the application is not decided by the Licensee within above-mentioned period of 15 days, the consumer may, by a written notice to the Licensee, draw its attention to the matter and if no decision is still communicated to him within the period of further

15 days, the permission of reduction of contract demand shall be deemed to have been granted.

(c) The reduction in contract demand shall take effect from the first day of the month following the month in which the decision for reduction in contract demand is communicated or deemed permission is granted.

7.12 After the expiry of the initial period of agreement, the consumer will be further entitled to reduce contract demand of his connection limited to the minimum contract demand for a particular voltage class as specified in Chapter 3 of this Code and such request when made to Licensee shall come into effect from the date of completion of formalities such as execution of agreement etc. which shall be completed within a period of 30 days from the date of receipt of the application for reduction in contract demand. Any subsequent request for reduction in contract demand can also be made to the Licensee after expiry of at least one year from the date of last reduction in contract demand. The request for reduction in contract demand shall not be refused by the Licensee on the ground of dues payable to the Licensee against that connection.

7.14 When reduction of contract demand is agreed to or deemed permission is granted, a supplementary agreement shall be executed.

3. Amendment in Chapter 4 of the Code :

In the Clause 4.13 of the Chapter 4 of the Principal Code, the following sentence shall be deleted, namely :

"The format of the application forms is provided in Annx 1 and 2."

4. Amendment in Annexure to the Code :

In the Principal Code, the Annex 1 and Annex 2 shall be substituted by as per Annexure-1 enclosed.

By order of the Commission

Commission Secretary

APPLICATION FORM – HIGH TENSION/LOW TENSION SERVICE CONNECTION

New Connection/Shifting of Premises/Change in Contract

Demand/Change of Tariff Category/Change of Name of Consumer

(Please strike-off the purpose that is not applicable)

To,

Sir,

I/We request you to supply electricity to my/our premises. The requisite information is furnished below :-

1. Consumer –

(a) Name of the person/organization :

(b) Name of father/husband/Director/ :
Partner/Trustee

(c) Full Address of the premises (with PIN)

Where a new connection is hereby applied

for/ the existing connection is proposed to

be shifted

Telephone No. :

Registered Office (alongwith

Postal address) :

Residence (Postal address) :

E-mail :

Bank A/C No. and name of Bank :

(optional)

Existing sanctioned load/contract

Demand if any, : (HT/LT)

Service connection no.

(For existing connection) :

LT Supply :

2. Built-up area of the premises/plot area :

3. Category of supply :

(Category as provided in the list attached)

4. Purpose of supply :

(Sub-category as provided in the list attached)

5. Type of Supply : Permanent/Temporary

(Please strike-off type not applicable and tick the type applicable)

If temporary specify period – From : To :

6. Proposed Load –

(a) For domestic connection : Watts

Please fill-up and attach format for determination of connected load.

(b) For other categories please fill up the following (Attach duly signed separate list if required)

Item	Load per item (Watts)	No.	Total Load (Watts)

HT Supply

7. Voltage at which supply is required (KV) :

11 KV	33 KV	132 KV	220 KV

8. Type of supply : Temporary/Permanent

(Please strike-off category not applicable and tick the category applicable)

If temporary, specify period – From : ----- To :

9. Steps taken by the consumer so far to set-up the installation

(a)

(b)

(c)

(d)

10. Basis of projection of Contract Demand required –

(a) Diversity factor assumed :.....

(b) Total Connected Load :.....

Attach List of Machines

11. Whether connection is required in phases :.....

12. Phasing of contract demand (CD) :.....

Sl.No.	CD required (KVA)	Tentative Date From which required	Remarks

13. Purpose of installation :.....

14. Category of tariff opted for :.....

(as per tariff order)

15. Production of Industry ? OR :.....

Probable data of production

16. Category of Industry : SSI/MSI/LSI

(Please strike-off category not applicable and tick the category applicable)

17. Status of land acquisition :.....

.....

(Please provide proof of ownership and statutory clearances)

18. Expected date by which finance would be available :

19. Whether the requisite consent/NOC (where applicable according to the list of Pollution Control Board) has been obtained from M.P. State Prevention and Control of Water Pollution Boards, Bhopal as per statutory requirements

(If yes, a copy should be furnished) :

FOR ALL CONSUMERS

20. Any electricity dues outstanding in the licensee's area of operation in the consumer's name
Yes/No

21. Any electricity dues outstanding for the premises for which connection applied for :
Yes/No

22. Any electricity dues outstanding with the licensee against any firm with which the consumer is associated as an Owner, Partner, Director or Managing Director Yes/No

(For serial nos. 20, 21 & 22 if answer is 'Yes' in any case please provide details)

23. I/We hereby declare that –

(a) The information provided in the form above is true to my knowledge.

(b) I/We have read the Madhya Pradesh Electricity Supply Code and agree to abide by the condition mentioned therein.

(c) I/We will deposit electricity dues, every month, as per the applicable electricity tariff and other charges.

(d) I/We will own the responsibility of security and safety of the meter, cut-out and the installation thereafter.

Signature of the Consumer/Authorized Signatory

Date :

Place :

Note : The following documents shall be attached with the application form :-

1. Proof of ownership of the premises.
2. A map indicating therein in the proposed location of the plant/*office* and the point where supply is required. The map should normally be of the scale of 1 cm representing 1200 cm for HT connections.
3. Licensee/NOC from statutory authority, if required or a declaration by the applicant is that his connection does not fall under the requirement of NOC under any statute.
4. In case of a proprietary firm, an affidavit to be submitted stating that the applicant is the sole proprietor of the firm.
